

BUFFINI & COMPANY

Leadership COACHING™

Lead with
strength,
clarity and
confidence

Why choose Leadership Coaching™?

To skyrocket your earnings you need to:

- ✓ Generate more leads, sales and profits.
- ✓ Leverage your skill set and that of your team.
- ✓ Manage your time and energy.
- ✓ Create a winning culture and winning office.
- ✓ Recruit and retain top-performing talent.

Achieve more with your coach

Your coach is:

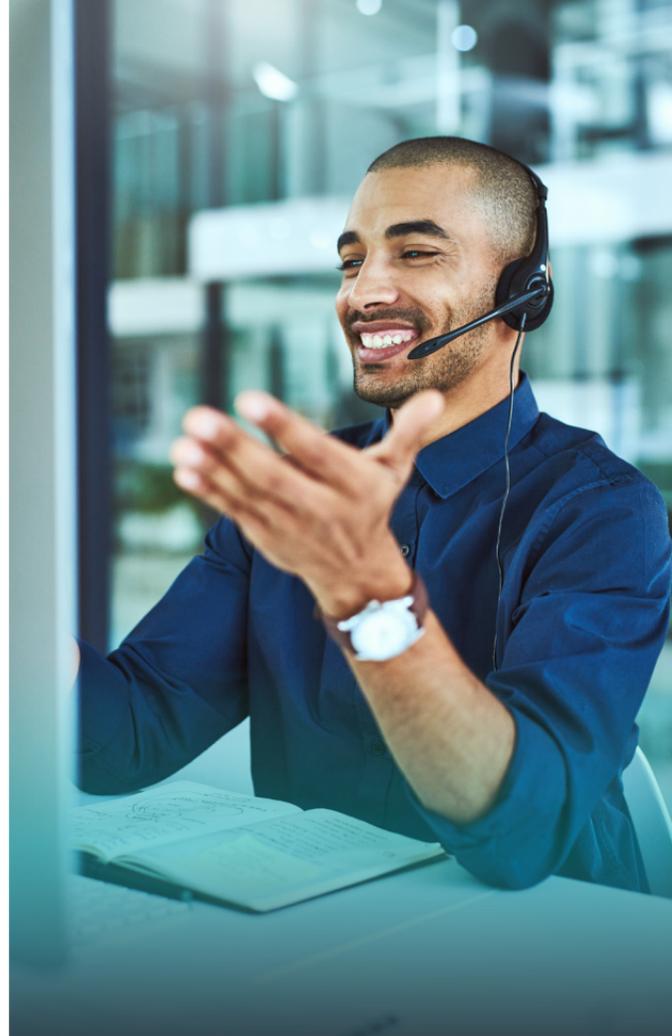

- ✓ Hand-selected to serve you based on their real-world experience and coaching expertise.
- ✓ Qualified to clarify your business and personal goals and keep you motivated and accountable to achieve them.
- ✓ Certified as a Leadership Coach after rigorous training and participation in weekly skill sessions.

Your coaching program is designed for you

Unique touchpoints with your Leadership Coach:

- ✓ Three coaching calls every month.
 - Two calls for you to clarify team goals and focus on your personal leadership.
 - One call for your entire team with content co-created by you and your Leadership Coach based on your unique needs.

Leadership training

Led by industry legend Brian Buffini and supported by other Buffini & Company experts, you'll get powerful on-demand content.

Included with your membership
